QUALIFICATION NOTES

This qualification reflects the roles of individuals working in a range of agribusinesses. The units covered in this qualification are uniquely contextualized for the agribusiness sector and reflect the need for agribusiness specific management expertise in planning and analysis, financial and human resource management together with an emphasis on sustainability.

This qualification is also suited to the needs of individuals who possess significant theoretical agribusiness skills and knowledge that they would like to further develop in order to create further educational or employment opportunities.

Job titles may include:

Rural and agribusiness manager including:

- lending managers
- insurance brokers
- machinery dealers
- chemical resellers
- stock agents
- grain marketers
- real estate agents

Agriculture enterprise business managers

Production horticulture enterprise business managers
